

100 block of King Street

Update on Short Term Improvements

Overview of the 100 block

Permanent Curbside Pickup/Loading Zones

Upcoming
this spring

New bollards at either end to replace existing barricade

Site plan and detail for decking, to be coordinated with each business

Permanent Curbside Loading Zones on Union and Lee Streets considered by Traffic and Parking Board on Feb 28

Parklet fees (includes fees for this block) will be considered by Council March 8

Long-Term Improvements

- Redesign of this block would be considered in the Capital Improvements Plan and budget
- Coordinated with other Waterfront projects and potentially Unit Block, if there was support to closing that block
